To whom it may concern:

The purpose of this letter is to recommend the hotel architectural services provided by Glenn Griggs and The Griggs Group for a proposed hotel and conference center to be developed in Texarkana, TX.

I have known Glenn Griggs for nearly fifteen (15) years. Prior to forming my own hotel development company, Gary C. Mills, Hotels, LLC, I was in charge of franchise development for Hilton Worldwide for over eleven (11) years. My territory included Texas and Oklahoma. Often times, the franchisees I sold franchises to looked to me to recommend a "good" hotel architect for their projects. I would recommend The Griggs Group to the Hilton franchisees. One after another would call me to tell me how pleased they were with Glenn's work and his sense of urgency in responding to the franchisees' needs. In April, 2007, I formed my own hotel development firm. My first project was a Homewood Suites by Hilton hotel in Denton, TX. There was no doubt in my mind who I would engage to be my architect; it was The Griggs Group. The Homewood Suites in Denton opened in October, 2009 and is one of the most awesome designed Homewood Suites hotels in the Hilton system.

I am currently developing my second project, a Hampton Inn & Suites in Frisco, TX. I've chosen The Griggs Group for my second hotel and continue to recommend his services to other hotel developers. The Griggs Group is responsive, solution-oriented, hands-on and doesn't "nickel and dime you" to death.

I invite you to visit my web site – www.gcmhotels.com and view the Homewood Suites' "Photo Gallery" to see the beautiful architectural work The Griggs Group performed. Or, better yet, I invite you to visit the Homewood Suites by Hilton in person. I will be happy to arrange a tour of the hotel. Please don't hesitate to call me if you have any questions or want to schedule a tour of the Homewood Suites by Hilton in Denton, TX.

Sincerely,

A handwritten signature in blue ink that reads "Gary C. Mills". The signature is written in a cursive, flowing style.
